			Lot 1248	
1248	F	A	1902-11 V/Crown Watermark Mixed Perforations 12½x12x12½x11 1d carmine-rose ACSC W10 (SG 135) horizontal pair , officially repaired with strips of paper affixed to reverse before being perforated the second time, 'NORTHAM/MR 3/03/WESTERN AUSTRALIA - P.O.' duplex cancel, sensibly & neatly re-reinforced centrally, unpriced in ACSC (<i>Gibbons</i> Cat £2000+ for two Compound Perfs singles). The ACSC states "The only example of a mixed perf which can be traced is a used stamp in the <i>Bromfield Collection</i> in the WA Museum in Perth. It is punctured WA, and shows the mixed line of perforations at base". <i>Gibbons</i> does not provide a separate listing for <i>Mixed Perfs</i> , although these are much scarcer than regular compound perfs (with the same gauge top & bottom and another gauge left & right). The Single Line Perf 11 rows were applied to correct the Comb Perf 12 row cutting the design at left. <i>Ex Trevor Hiscock & Gary Diffen</i> . Rare: two of only three examples in private hands . The other example, with <i>Mixed Perfs at Base</i> , sold in <i>Gary Diffen's 'Australian Colonies Errors'</i> for £720.	1,500 ^T
